PART I.

REVENUE.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 1st May 1891.

READ —

Letter from the Deputy Commissioner, Kolar District, To the Chief Secretary to the Dewan of Mysore, No. 178—39, dated 16th April 1891.

I have the honor to state that under Section 159 of the Mysore Land Revenue Code and Section 36, para 4 of the rules framed thereunder, the power of declaring a holding forfeited prior to its sale in satisfaction of the arrears of revenue due thereon to Government rests exclusively in the Deputy Commissioner and there seems to be no provision in the rules for delegating that power to the Assistant Commissioners, the Amildars and the Deputy Amildars without the special sanction of the Government.

2. A reference to this office by the Taluk Officers in every case requiring a compliance with the aforesaid formality will entail much loss of time in correspondence and considerably retard collection of arrears. I beg therefore with a view to the necessary coercive processes being completely adopted as promptly as possible, to request sanction to delegate to the above said officers the power of declaring the forfeiture of holdings liable to be sold, in all cases in which the estimated value of such holdings does not exceed Rs. 100 in the case of Assistant Commissioners and Rs. 50 in the case of other officers. The sale will of course be subject to confirmation by me as required by Section 185 of the Code.

No. 1050-8—Cir. 19, dated 1st May 1891.

Order thereon.—Deputy Commissioners are hereby authorized to delegate to their Assistants, Amildars and Deputy Amildars, the power of declaring a holding forfeited when it has to be sold for arrears of revenue.

Under-Secretary.

Letter from Deputy Commissioner, Shimoga District, To the Chief Secretary to the Dewan of Mysore, No. 69—65, dated 24th April 1891.

In submitting herewith for information copies of judgments in Sessions cases Nos. 15, 16 and 17 of 1890, I have the honor to report that as the accused Nagappa, Shanbhog of Singanamane Circle, Shimoga Taluk, was convicted of criminal breach of trust by a public servant under Section 409 of the Indian Penal Code and sentenced collectively to 3 years' rigorous imprisonment and to pay a fine of Rs. 100, he has been dismissed from the post of Shanbhogi from the date of conviction, *viz.*, 2nd August last. The question of the forfeiture of the "hak" from the family of the convicted Shanbhog has to be decided by Government under Section 43, Para 5, Clause B of the Land Revenue Rules and is therefore accordingly submitted.

No. 1277-84—CIR. 23, DATED BANGALORE, 6TH MAY 1891.

ORDER THEREON.—Under the rule quoted, the Deputy Commissioner is himself competent to declare that the family of the dismissed Shanbhog has forfeited the hak, and the previous orders of Government are not called for. The Deputy Commissioner may pass such orders as he deems fit, subject to an appeal to Government.

Docket from the Deputy Commissioner, Mysore District, No 1267, dated 20th January 1891.

No. 1480-1– L 133, DATED BANGALORE, 7TH MAY 1891.

ORDER THEREON.—In the above letter application is made for transfer to the Mysore Municipality of the land revenue on lands situated "outside Municipal limits." It is evident that the claim is for land revenue on lands within Municipal limits.

2. Section 63 of the Municipal Regulation upon which the Municipality base their application does not support the claim, which moreover it is undesirable to recognize as no alienation of land revenue should be sanctioned in a case of this nature.

READ THE FOLLOWING PAPER :—

Report on the Administration of Stamp Revenue for the year 1889—90.

No. 1816—214, DATED 8TH MAY 1891.

ORDER THEREON.—The stamp revenue for the year 1889—90 amounted to Rs. 5,94,754 exhibiting an increase of Rs. 36,673 over the figure of 1888—89. The expenditure was Rs. 26,762 or Rs. 4,007 in excess of that of the previous year. The net income was thus Rs. 5,67,992 against Rs. 5,35,326 in 1888—89, showing an advance of Rs. 32,666, of which Rs. 26,001 were contributed by non-Judicial Stamps and Rs. 6,665 by Judicial Stamps.

2. The increase under the head of non-Judicial Stamps is ascribed to the same causes which operated to raise the fees under the Registration Act III of 1877, namely, to the execution of documents of large value relating to coffee lands in Kadur and Hassan, and to certain gold mining leases in the Kolar District. The rise in the sales of Court Fee Stamps is probably due to the increased litigation of the year noticed in the report on the Administration of Civil Justice.

3. The increase under the head of charges is attributable mainly to the larger supply of watermarked paper obtained during the year and the greater value of the stamps refunded both under the General Stamp and Court Fees Acts.

4. With a view to provide greater facilities for the purchase of stamps than existed formerly in certain localities, the number of Stamp Vendors was increased by 12 during the year and Sub-Post Masters of the Imperial Postal Department were authorized *Ex-officio* to vend Mysore Receipt Stamps. At the same time the post of Salaried Vendor at Bangalore was abolished and a non-official was appointed in his stead, so that at the close of the year there were 12 official and 221 non-official Vendors in the Province, besides Sub-Post Masters vending Receipt Labels.

Reports on the operations of the Inam Department for the years 1888—89 and 1889—90.

No. 1559—6, DATED BANGALORE, 12TH MAY 1891.

ORDER THEREON.—The total number of cases of land inams which were enquired into and disposed of during 1889—90, shows a considerable increase as compared with the preceding 5 years. The figures are as follows :—

Year.	Cases.
1884—85	179
1885—86	424
1886—87	499
1887—88	250
1888—89	598
1889—90	1,015

2. The total area confirmed amounted to 20 Khandis, 17 Kolagas and 13½ Padis bearing an assessment of Rs. 381—1—4. The quit-rent and Jodi imposed on these lands was Rs. 145—8—0 or 48 per cent of the full recorded assessment. In the previous year, the area confirmed was 10 Khandis, 4 Kolagas and 7 Padis, while the quit-rent and Jodi amounted to Rs. 31—14—0, giving a percentage to the recorded assessment of 21·6.

3. The following statement compares the details for the last two years of the area and assessment (with Jodi or quit-rent payable thereon) of the lands resumed on account of non-existence of temples or non-performance of the services for which they were granted :—

	1889—90.			1888—89.		
Area in Khandis	11	12	14½	4	10	10½
Assessment in Rs	145	3	1	90	4	3
Jodi or quit-rent in Rs	17	11	11	42	1	8
Net gain to Government in Rs. ...	127	7	2	48	2	7

4. Forty whole villages were settled during 1889—90 on the revised valuation made by the Survey Department in accordance with the order of Government No. 4701—9—133, dated the 2nd September 1881, with the result that the combined quit-rent on them was raised from Rs. 4,423—4—0 to Rs. 4,963. In 1888—89 the number of villages so settled was 103 and the additional quit-rent imposed Rs. 2,886—8—0.

5. Ninety-six minor inams and 721 Kodigi cases were revised during 1889—90, as against 203 inams and 242 Kodigi cases in the previous year.

6. The number of quit-rent registers prepared during 1889—90 fell from 263 to 230. There were in the beginning of the year 5,776 cases of inams, the registers of which had to be compared with the original registers at the Head Office at Bangalore and despatched to the districts, but no such registers are shown to have been compared and despatched, while in the year previous, as many as 2,340 were so disposed of.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 12th May 1891.

7. The total number of title-deeds prepared in 1889—90 with respect to minor inams in Government villages amounted to 562 against 1,048, and the number of fresh title-deeds issued in supersession of old ones to 21 against 15 in the preceding year.

8. The cost of the Department was Rs. 7,761 in each of the years under review, but the additional revenue derived from its operations fell from Rs. 2,966—7—8 in 1888—89 to Rs. 593—4—6 in 1889—90.

9. The total cost of the Department from the commencement of the operations in 1868 up to the end of March 1890, was Rs. 10,27,655—10—2, and the total and dition to the revenue during the same period amounted to Rs. 8,67,920—9—3 or 84·5 per cent of the total cost.

The following letter No. 49—46, dated 17th April 1891, from the Deputy Commissioner, Shimoga District.

With reference to Government Proceedings No. 11081—275, dated the 8th January last, I have the honor to state that as a rule Oro-Madigars in the villages pay no house tax in consideration of their doing village service such as carrying tappal, supplies, &c.

2. There are very few such Madigars in the Malnad Taluks of the District. They are generally found in almost every village of the Maidan parts.

3, Complaints against the taxation have been received at the last Jamabandi from the Madigars of Kumsi and Holehonnur in Shimoga which are also Municipal Towns. The mamul of exempting Oro-Madigars from house tax is a very old one and only those that perform a profession, such as making shoes, slippers or working as carpenters &c,. are required to pay the house. tax.

4. The Madigars in all the Municipal Towns may well be allowed the indulgence prayed for. The tax they pay is but a trifle, but heartburnings on acccount of the paymet are great. It is very advisable to have some hold on them in the interest of the village service by granting them the concession enjoyed by their brethren in the rural villages.

No. 1589-96—L. 134, DATED 12TH MAY 1891.

ORDER THEREON.—Oro-Madigars in Municipalities rendering Public Service such as carrying tappal, supplies, &c., may be exempted from house tax.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 12th May 1891.

READ THE FOLLOWING PAPERS :—

Docket No. 776—728 of the 9th March 1891 from the Deputy Commissioner, the Shimoga District.

Has the honor to submit for information and instructions, if deemed necessary, copy of a Memo, dated 28th ultimo, from the 1st Assistant Commissioner, with the remarks of the undersigned thereon on the subject of the transfer of certain wargs in the Sorab Taluk.

MEMO.

Section 67 of the Revenue Code prescribes that, if in the execution of a decree or order of a competent court, the interest of the occupant in the land have been transferred by sale or otherwise to another person, such other person shall, on producing a copy of the courts' certificate of the sale, be deemed to be the occupant, and on written application to the Deputy Commissioner such change shall be made in the entry of the registered occupant's name as the circumstances require. Rule XXIV (1) however imposes the additional requirement of a certificate of delivery of possession in pursuance thereof (*i. e.* of the certificate of sale). Where such latter certificate cannot be obtained, it is laid down that the procedure laid down in Rule XXVI (8) should be followed. As far as I know civil courts do not issue any certificate of delivery of possession, to purchasers in their sales. The only evidence procurable would be the receipt signed by the purchaser of having received possession. It is doubtful whether a certified copy of this receipt can be regarded as a certificate for delivery of possession.

Though possession granted by a civil court may be nominal, it will bind the judgment-debtor conclusively ; and where the judgment-debtor is the Khatedar, there seems no necessity of requiring any proof beyond the copy of the sale certificate. This is clearly laid down in the section ; but as the subsidiary rule quoted above requires something more, the cases are referred to the Deputy Commissioner for orders.

Remarks of the Deputy Commissioner :—

Authenticated copies of the receipts of possession being delivered, may be required to be produced, and on their production the transfer of Khatas may be ordered in the present cases. A reference should be made to Government. I think a copy of the sale certificate is quite sufficient under the Code. The existing practice is in accordance with the same. A certificate of delivery of possession is superfluous and the civil courts do not give such certificates. If they are absolutely necessary, certified copies of receipts above referred to, cannot but be held as certificates of delivery of possession required by the Rules.

No. 1641-8—CIR. 27, DATED BANGALORE, 12TH MAY 1891.

ORDER THEREON.—It was intended by Rule XXIV that a copy of the decree or certificate of sale or an order for delivery of possession under Sections 318 and 319 of the Civil Procedure Code, should be produced in support of an application for transfer of patta. This will be made clear by amending the rules and therefore Government direct that the accompanying Notification shall be published in three successive issues of the Mysore Gazette.

NOTIFICATION.

Dated Bangalore, 12th May 1891.

No. 68.—The Government of His Highness the Maharaja direct that the following alterations be made in Rule XXIV of the Rules under the Mysore Land Revenue Code, published under Notification No. 150 of the 22nd July 1890, :—

In lines 7 and 8 for the words "as the case may be and a certificate of delivery of possession in pursuance thereof," substitute the words "or an order for delivery of possession passed by a civil court under the provisions of Sections 318 and 319 of the Code of Civil Procedure."

In line 9 of the same Rule, for the words "a certificate of possession," substitute the words "an order of the court for delivery of possession."

By Order,

T. ANANDA ROW,
Chief Secretary.

READ THE FOLLOWING PAPER :—

From the Deputy Commissioner, Kolar District, To the Chief Secretary to the Government of Mysore, No. 3616—846, dated 27th March 1891.

With reference to the Government Proceedings No. 12983-99—277 of the 19th February 1891, I have the honor to state that the form of sale notice (No. 7, Appendix I) prescribed in the Mysore Land Revenue Rules seems to be more conveniently applicable to immovable property other than alienated villages than to the latter for which no separate form of sale notice has been provided for in the Rules.

2. The form in which the sale notification referred to in the Proceedings under advertance has been published, appears well adapted to all intents and purposes in respect of whole Inam villages and has been approved of by Government (*vide* correspondence ending with this office docket No. 7663—541, dated 6th November last).

3. It is the same as that in use for a long time barring certain slight modifications recently made so as to render it compatible with the provisions of the Land Revenue Code and the Rules under it. There is further no material variance between this form and form No. 7 alluded to above, and the former has been adopted by the other Districts of the Province.

4. Under para 10, Section 41 of the Revenue Rules, the joint liability of the Inamdars does not cease unless the quit-rent due on an Inam village has been apportioned amongst several shareholders and the lands held by each sharer are separately registered in the accounts or the shareholders produce before the Deputy Commissioner an agreement signed by all of them containing a full statement of the share held by each, and the amount of quit-rent payable by him.

5. Instances in which these requisites are fulfilled are very rare, and as a rule no recognized record of such particulars is kept by the Village or Taluk officials, and it is in the generality of cases extremely doubtful whether the Inamdars themselves have kept an account furnishing accurate and adequate information on the point. It is moreover impracticable to maintain at the the Taluk Cutcherry a Demand Collection and Balance account for each of the numerous vrittis or shares into which the Inam villages may have, in many instances, been divided and an attempt in this direction will only be attended with endless difficulties and complications, seeing that the Inamdars have generally failed to appoint an Agent or Manager for the proper keeping of accounts for their villages in spite of the repeated warnings given to them from time to time under the orders of the late Chief Commissioner on the subject.

6. It may thus be seen that under this confused state of things, the necessity for proceeding against the entire village in satisfaction of the Government demand will force itself in almost every case.

7. Under such circumstances, the retention of para 2 of the form of sale notification now in use is not only harmless, but also advantageous to the defaulters as it vests a discretion in the Deputy Commissioner to save any particular vrittis or shares from sale in cases in which the vrittidars or shareholders are able to give satisfactory proof that their shares have been distinctly recorded, and that they have paid up the amount due on the same.

8. I need hardly submit that recusant defaulters are only too ready to gain any amount of time under various pretexts, and if a village divided into a large number of vrittis were to be sold vrittivar, it is easily imaginable how long it would be before the Government demand is realized in the event of a compliance with the requisite formalities being enforced in the case of each vritti.

9. It is not convenient to decide before the issue of sale notification whether the entire village is to be sold or each vritti separately as experience has shown that the defaulters whose chief aim is to gain time, put off payment to the very day of the sale, and if on that day some of the vrittidars or shareholders pay their shares of the arrears, a fresh notification allowing the prescribed time (30 days) will have to be issued for the sale of the remaining vrittis, and if these shareholders also resort to the same device as their co-sharers, the sale will probably find no end.

10. The decision of the above question may, therefore, with much advantage to Government on the one hand, and without any hardship to the parties concerned on the other, be reserved till the date of sale.

11. In conclusion, I beg to add that all things considered, the form now in force will in the long run be found most expedient and may well be allowed to remain undisturbed as an additional form, the same will, far from being detrimental to the interests of the defaulters, who will suffer no substantial injury or loss by the mere advertizement of their village for sale, tend in a material degree to prevent the long delay attendant on the repetition of the same process which would otherwise be necessitated under the circumstances explained above.

No. 1948-55—Cir. 31½, dated 15th May 1891.

Order thereon.—Form No. 7 in the Rules must be adopted.

It would not be legal to issue an indefinite notification of sale.

The Deputy Commissioner is bound to decide, after due enquiry, before issuing the notification, whether it is the vritti or the village that he proposes to sell.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 21st May 1891.

READ THE FOLLOWING LETTER:—

From the Deputy Commissioner of the Shimoga District, To the Secretary to the Dewan of Mysore, No. 1245—912 of the 9th February 1884.

It appears that in some of the villages of the Honnali Taluk the Raiyats are in the habit of manufacturing earth salt in small quantities in their own houses. They collect and bring saline earth, dissolve it with water in a pot and boring a small hole at the bottom of it, wash the solution down into another pot below and then dry the sediment in the pot. The order regarding the levy of duty on earth salt refers to the manufacture of it in salt pans. I therefore solicit orders as to whether the manufacture of the salt in private dwellings in the above manner should be subjected to any tax and if so at what rate.

No. 2093-100—CIR. 33, DATED 21ST MAY 1891.

ORDER THEREON.—Under the existing Rules (Notification of the 15th July 1881) duty is leviable upon salt-pans for the working of which licenses are granted. Earth salt obtained in the manner reported by the Deputy Commissioner is not taxable in Mysore and it is unnecessary to tax it.

Letter No. 8, dated 4th April 1891,
from the Deputy Commissioner of the Kadur District, with enclosure.

I have the honor to state that on receipt of a report from the Tarikere Amildar urging the necessity of employing Process peons under subsidiary Rule XLIV, Column 4 of the Land Revenue Code, I called for the opinions of other Amildars, the reports received from whom are generally in favor of the proposal.

As one of the Amildars stated, I am of opinion that these men will only be necessary for 4 months in a year, *viz.*, December, January, February and March and that one man should be appointed for each of such Maganis as have the heavy arrears.

By this arrangement, I hope that the present overworked Shekdars and village officials will have some relief.

Should my proposal be approved, I would give it a trial during the current year, from December 1891.

From the accompanying statement it will be observed that the cost of this establishment may be met from receipts under notice Fees :—

PART I.

FINANCIAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 8th May 1891.

READ:—

Docket from the Deputy Commissioner, Mysore District, dated 18th November 1890, No. 1031, submitting the Local Fund Board's Proceedings of 3rd October 1890 together with the District Fund Budget Estimates of receipts and expenditure for 1891—92, as approved by the District Fund Committee of the French Rocks Circle.

No. 1379-90—L. 127, DATED 8th MAY 1891.

ORDER THEREON.—The District Fund receipts under all heads are estimated for the year 1891—92 at Rs. 40,932 against Rs. 39,847, the actuals of 1889-90, and Rs. 37,658 the sanctioned estimate for 1890—91.

Items.	Details.	Actuals of 1889—90.	Estimate for 1890—91.	Estimate for 1891—92.
I	76 per cent of Local Cess.	37,750	34,808	38,825
II	School fees ...	447	850	500
III	Ferry collections ...	270	250	244
IV	Sale of cattle ...	334	1750	344
V	Fines for cattle trespass.	1,046		1,019
VI	Private contribution ...	...	...	...
VII	Miscellaneous ...	...	...	...
	Total.....	39,847	37,658	40,932

2. *I. 76 per cent of Local Cess.*—The estimate for 1890—91 was low, because it did not take into account the increase obtained by the introduction during 1889—90 of the survey settlement into the Taluk of Seringapatam. As regards the estimate for 1891—92, the Government observe that the assets, on which 76 per cent of the Local Cess is proposed to be credited to District Funds, includes revenue from "4 Salt pans," "7 Forest Produce" and "8 Sayer" as detailed in the margin. This is not right, as the 76 per cent of the cess on these items is creditable to Local Funds General and not to District Funds. Excluding these items, the assets amount to Rs. 50,936, 76 per cent of which is Rs. 38,711 which will be adopted as the estimate of the cess for 1891—92. The Government presume that the amount of Rs. 8,06,754 given as "Land Revenue" includes the full amount of inam lands and not merely quit-rents or Jodi payable by them.

Items.	Details.	Assets on which cess is to be calculated.	Total cess collection estimated.
1	Land revenue	8,06,754	50,422
2	Hullianni	5,286	330

8	Sayer	807	50
	Total.....	8,17,382	51,086
	Deduct amounts creditable to Local Fund General (items 4, 7 and 8)	2,408	150
	Balance of items cess on which properly creditable to District Funds.	8,14,974	50,936

3. *II School fees.*—The estimate under this head is stated to be based upon the actuals (Rs. 447) reported * by the Education Secretary to have been realized in the Taluks of the Sub-Division. The Government observe that the school fees are creditable not to the District Funds but to the Village School Fund, from which the schools are at present maintained. This will therefore be struck out.

Docket, dated 23rd September 1891, No. 4084.

4. *IV and V Cattle fines and sales.*—The estimates under these heads are based upon the actuals of 1889—90 and are approved.

5. The other items of receipts call for no remark, excepting that though there are 4 third class Travellers' Bungalows maintained from District Funds at a cost of Rs. 360 * per annum, no fees from them are estimated for the year 1891—92.

* *Vide* Appendix C.

6. *Opening balance.*—A sum of Rs. 24,206 is entered as the probable balance in favor of this Circle on 1st April 1891. It is not explained how the figure has been arrived at. Rs. 35,859 will be assumed as the probable balance in favor of the District Funds of the Circle at the beginning of the current official year as per calculations noted in the margin.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 8th May 1891.

8. *I. Statistical Clerk.*—The provision under this head is on account of the pay for the whole year of a Clerk sanctioned in Government Proceedings, dated 5th February 1891, No. 12853-63—272—L. 301, while the estimate for 1890—91 was only for 2 months. Hence the increase under this head, which is sanctioned.

9. *II. Medical Scholarships.*—The amounts entered under this head is Rs. 293, while under para 4 of Government Proceedings, dated 3rd March 1891, No. 13690-701—289—L. 370, the correct amount that has to be debited to the French Rocks Circle is only Rs. 262. This figure will accordingly be inserted in the Budget.

10. *III. (a).*—The sum of Rs. 48 entered on account of a Sweeper for the Musafarkhana at Honnakere is in accordance with the Government Proceedings, dated 7th May 1890, No. 1673-4—64 and is sanctioned.

11. *III. (b).*—The provision on account of the Watchman for the old Taluk Cutcherry building at Maddur will be retained pending submission of the information called for in this Office Docket, dated 26th March 1891, No. 14379—360.

12. *III. (c).*—The new estimate entered on account of the pay of a Watchman and a Sweeper for the Jamabandi house at Seringapatam will be struck out, as the same has been ordered to be debited to Provincial Funds in Government Proceedings, dated 1st October 1890, No. 8077—476.

13. The other items of charges call for no remark.

READ :—

Letter dated 18th April 1891, from the Comptroller to the Government of Mysore, submitting for orders, the following draft agreement, regarding the interest to be paid by the Madras Bank on the deposit account opened by the Mysore Government with the Bangalore Branch of the said Bank, prepared at a personal conference on the said date, between the Comptroller, Mr. Matheson, Inspector of Branches, and Mr. Madden, Agent, Madras Bank, Bangalore :—

1. "That the Mysore Government should pay in to the credit of the Madras Bank account the available surplus balances, and should not draw, between 1st January and 30th June, more than Rs. ORDER THEREON.—Under the circumstances stated by the Comptroller, the best arrangement, the Government can make, is to invest the funds in question in Government of India Securities. The Comptroller will accordingly be requested to take the earliest opportunity to invest in Government of India Pro-Notes of 4 per cent, the amount available in each District and not required for expenditure in the immediate future in even thousands of Rupees. Any sums which are below Rs. 1,000 and similarly available should be invested in Government Savings Bank of the particular District to which they belong. The Pro-Notes will stand in the name of the Dewan of Mysore, the words "Muzarayi Fund of_____District" being written by the Comptroller across these for purposes of future identification. If more convenient the Madras Bank can keep these and draw the interest as they do on other Pro-Notes in the name of the Dewan of Mysore, the Comptroller making the necessary distribution in his accounts.

2. Savings Bank deposits of each District should be so made as to be available to be operated upon by each Deputy Commissioner with the sanction of Government.

3. The Deputy Commissioner, Bangalore, will be requested to furnish the Comptroller early with the information called for by him.

T. ANANDA ROW,
Chief Secretary.

To—The Deputy Commissioners of Districts,
The Comptroller in Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Financial),—dated 13th May 1891.

READ :—

Letter from the Deputy Commissioner, Bangalore District, dated 5th March 1891, No. 857, submitting the District Fund Budget Estimates of the District for the year 1891—92 together with the Local Fund Board's Proceedings of the 29th January 1891 held at Bangalore.

(2.) Letter from the President, Bangalore City Municipality, dated 8th April 1891, No. 23.

No. 1686-98—L 141, DATED 13TH MAY 1891.

ORDER THEREON.—The estimated receipts under District Funds for the year 1891-92 are Rs. 56,756 against Rs. 58,921, the sanctioned estimate for 1890—91 and Rs. 68,452, the actuals of 1889—90 as detailed in the margin.

* Figures inserted from the Comptroller's statement.

2. *I. 76 per cent of Local Cess.*—The decrease under this head compared with the actuals has not been explained. This omission should be supplied. The total amount of assets, on which one anna cess is to be collected during 1891—92, is given as Rs. 12,09,899. If so, the correct amount of the 76 per cent comes to Rs. 57,471 and not Rs. 54,090 as given by the Deputy Commissioner. The former figure will accordingly be adopted in the present budget pending the explanation above called for.

3. *Opening Balance.*—The balance in favor of the District Funds of the District is estimated at Rs. 19,949 with reference to the probable balance on 1st April 1890 and the receipts and expenditure for 1890—91. The figure given under probable balance on 1st April 1890 is not correct. The actual balance on that date is Rs. 32,412 according to the Comptroller's accounts. Accordingly the probable balance on 1st April 1891 amounts to Rs. 29,983,* which will be adopted as the opening balance.

5. *III Medical Scholarships.*—The increased provision of Rs. 679 is in accordance with the Government Proceedings, dated 24th December 1887, No. 5832-43—149 and is passed.

6. *V Midwife for Closepet and Channapatna Towns.*—The new provision of Rs. 60 is on account of the Midwife proposed to be newly employed in the Municipalities of Closepet and Channapatna (*vide* Para 5 of the Local Fund Board's Proceedings read above). The entertainment of the Midwife has already been sanctioned and the charge on account of her pay and travelling allowance debitable to District Funds under Government Proceedings, dated 31st March 1891, No. 14679-81—584-L. 456 is Rs. 130 per annum. The provision will accordingly be raised to Rs. 130.

7. A provision of Rs. 480 will be newly inserted in the present Budget to meet the cost of 4 scholarships to be given to 4 women for being trained at the Madras Lying-in-Hospital as Midwives as recently sanctioned by Government in their Proceedings, dated 4th May 1891, No. 1258-½—L. 97.

9. *VII (d) and (e) Malnad and Charge allowances.*—In the present Budget Rs. 120 are entered on account of the Malnad allowance of the Hospital Assistant in charge of the Local Fund Dispensary at Kankanhalli, besides a provision of Rs. 800* for the charge allowance payable to Hospital Assistants attached to the several Local Fund Dispensaries. The Government observe that in their Proceedings, dated 6th December 1889, No. 7180-90—164, charge allowance has been granted to each of the Hospital Assistants in the District in lieu of the Malnad allowance then drawn by the Hospital Assistant at Kankanahalli. Therefore no provision for the Malnad allowance is necessary and it will be struck out.

10. In sanctioning from the Municipal Funds of the Town of Bangalore, bills amounting to Rs. 3,975—13—11 on account of the cost of Europe medicines supplied to the Maternity, Town Hospital and Dispensary and the Branch Dispensary at Bangalore during the years 1885—86, 1887—88, 1888—89 and 1889—90, the Government remarked in Para 3 of their Proceedings, dated 23rd November 1890, No. 9607-9—1227-L. 60, that it was a question for consideration whether a portion of the Medical charges might not be paid by the District Funds, as the people of the whole District were benefitted by the medical institutions at Bangalore and the Deputy Commissioner was requested to consult the District Fund Committee and to report upon the matter. It is now stated that the District Fund Board consider that no payments need be made from the District Funds, as people outside the Municipal limits are but little benefitted by the Medical institutions at Bangalore. Unless the Municipality can show that people from outside avail themselves of these Medical institutions to any appreciable extent, the Government will not be able to sanction any portion of the Municipal expenditure being met from District Funds. The President of the Bangalore City Municipality is wrong in not having paid the bills already sanctioned from Municipal Funds. The payment should be made at once.

11. The other items call for no remark.

15. *II (b) Reserve Grant.*—The provision under this head is stated to be required on account of the special repairs of roads and the marginally noted roads as resolved in Paras 5, 9 and 10 of the District Fund Board's Proceedings read above. The amount required for each has not been stated. The omission should be supplied. Meanwhile the estimate will stand.

(4) „ Kankanhalli to Marlwadi (10 miles.)
(5) Repairing road from Hongasur to Sante Mogenahalli (1½ miles.)

16. The establishment charges are entered at Rs. 10,000, which bears a high percentage of 23·73 on the cost of works, including the provision for Miscellaneous Public Improvements, which the Government presume would be executed by the Revenue department and for which no establishments are needed. The provision will therefore be reduced to Rs. 9,882. The Deputy Commissioner is requested to explain the necessity for this high rate of 23·73 against 18 per cent charged for establishment in the Budget for 1890—91 under Public Works Department Proceedings, dated 5th May 1889, No. 1907—286.

No. 1563—13, DATED 12TH MAY 1891.

ORDER THEREON.—The Special Hospitals in the Mysore State are the Lunatic and Leper Asylums, the Maternity Hospital at Bangalore and Her Highness the Maharani's Female Hospital at Mysore.

2. *The Lunatic Asylum.*—At the close of the year 1888, there were 182 patients (134 males and 48 females) in this Asylum. The admissions of 1889 amounted to 52, making the total number of persons under treatment 234 (176 males and 58 females), against 237 (181 males and 56 females) in the previous year. Of the number treated during the year under review, 13 were discharged completely cured, 4 were committed to the care of friends and 37 died, leaving 180 persons (133 males and 47 females) in the Asylum at the close of the year.

3. It is interesting to note the comparison made by the Senior Surgeon between the proportion of insanes in the Lunatic Asylum at Bangalore during the year 1889 and the proportion of lunatics found in England and the Australian Colonies in 1887. It appears that while in these latter countries the ratio per mille of population was 2·88 and 2·80 respectively, in Mysore it was only ·06. This proportion, however, has to be somewhat modified when we take into account the entire lunatic population of the Province, which according to the Census of 1871 was 2,980 and according to the Census of 1881 only 767, giving a ratio per mille of population of ·589 and ·18 respectively. But even the mean of these figures is very low as compared with those of England and Australia.

4. The average daily strength of the Asylum was 177 against 184 in the year previous. The maximum number confined on any one day was 194 (146 males and 48 females). The capacity of the Asylum at 60 superficial feet per patient being for 218 persons (166 males and 52 females), there was no overcrowding at any time.

5. The number of criminal lunatics in the Asylum was 30, of which 7 were fresh cases. Four died during the year, leaving 26 insanes at the end of the year. The daily average strength was 26·33 against 24·33 in the previous year and is the highest on record within the past ten years.

6. Of the total number of lunatics admitted during the year, 50 per cent were Hindus and 25 per cent were Muhammadans. Among districts, Bangalore and Mysore contributed as usual the largest number of persons. In the classification of patients according to their occupation, the largest number are shown to have been from the "cooly" and "unemployed" classes. It is regretted that two students were among the inmates of the Asylum during the year under review.

7. The most common forms of insanity observed among the lunatics were dementia and mania which contributed respectively 116 and 110 cases. There were but 3 cases of melancholia and 2 of monomania. The cause of insanity was known in 24 and unknown in the remaining 207 cases. Twenty-three cases were ascribed to physical causes, and in 20 of these insanity was believed to have been caused by the excessive use of ganja and spirits.

8. The improvement noticed in the report of 1888 as regards the percentage of cures did not continue in the year under review. The figure fell from 15·76 to 7·34, which is only slightly better than that of 1887 when it was 7·22. The per-

centage of deaths, however, rose from 5·43 in 1888 to 20·90 in 1889, and this is explained to be due to the prevalence for a time of cholera of a virulent type, which carried off as many as 23 persons during the short time that it prevailed. How the epidemic came to be imported into the Asylum buildings remains yet undiscovered. There was, according to the report of the Senior Surgeon, nothing defective in the sanitary condition of the place, nor was the disease known to prevail in an epidemic form in the Petta close by; and it was not until the lunatics had been removed to a camp outside the town that the disease disappeared. It is satisfactory however to note that since the re-admission of the lunatics into the Asylum, not a single case occurred, which is due probably to the prompt measures taken to thoroughly cleanse and purify the place during the absence of the inmates at camp.

9. The cost of maintaining the Asylum during the year was Rs. 15,272 against Rs. 14,455 in the previous year, and the average yearly cost of each lunatic to the State was Rs. 86—4—6 as compared with Rs. 78—9—0 in 1888 and Rs. 80—11—0 in 1887. These rates compare favorably with those of Madras, Calicut and Waltair in the Madras Presidency where the figures were respectively Rs. 139—7—0, Rs. 105—10—0 and Rs. 109—1—0 for 1889.

10. *The Leper Asylum.*—There were 29 lepers in this Asylum at the close of 1888. Ten were admitted during 1889, making the total number of inmates 39. Of these, 7 were discharged and 7 died, leaving 25 (14 males and 11 females) at the close of the year under review. The daily average strength was 28·18 against 31·15 in 1888.

11. As regards the treatment of these patients, the Senior Surgeon writes as follows:—

"The most that can be said is that life is made as tolerable for them as possible, "special or distressing symptoms being treated as best we can; but in no case can it be "said that any thing approaching a cure has been effected, even though the progress "of the disease has been slowed in many, or temporarily arrested in some, and the "general health of nearly all improved, by attention to personal and general hygiene, "good food, good housing, regular hours and the interdiction of irregular or vicious "habits and practices. As stated in previous reports, many die from uncontrollable "fluxas, such as, diarrhœa and dysentery due to implication of the gastrointestinal "mucustract, to general debility and asthama, and to ulcerations affecting the "mouth, throat and trachea. Gurjon and wood oils and other medicaments have "been used with benefit in some cases. During the year in addition to the ordinary "measures, four male and 2 female lepers were treated with a remedy called "Hoang Nan reported by the French Catholic Missionaries in Tonquin to be almost "a specific in leprosy. A good supply of the medicine was procured from Paris, "the directions were carefully carried out, and the treatment was continued for "nine months when it was given up as useless, as no improvement resulted from it "in any case whilst it caused considerable discomfort to the poor people. On care-"ful inquiry into the nature of the drugs used, it practically resolved itself into "treatment with arsenic and brucine, an alkaloid closely akin to Strychinine. I have "arranged to try the treatment recommended so strongly by Professor Unna of Ham-"burg with itchyol and resorcin and trust I may have some favorable results to "report."

12. The total expenditure incurred on account of the Leper Asylum was Rs. 2,419 against Rs. 2,327 in 1888.

13. *Maternity Hospital, Bangalore.*—The number of in-door patients treated during the year 1889 in this institution was 270, showing an increase of 80 over the figure of the previous year. The number of confinement cases rose from 171 to 194, and of the surgical operations from 28 to 36 in the year under report. There were 13 cases of death against only 3 in 1888, which is ascribed to the fact that most of the patients came to the hospital in a very bad condition. Of the total number treated, 12 were Europeans, 61 Eurasians and 197 Natives of all classes.

14. The total number of out-door patients treated, has been showing a steady increase during the past *3 years, but the attendance still falls short of that of 1886 when the number was 7,373. It is satisfactory to find that the number of out-door labor cases attended, increased from 9 in 1888 to 18 in the year under review.

	No.
* 1887 ...	2,991.
1888 ...	3,047.
1889 ...	5,478.

15. The expenditure of the institution was Rs. 5,133—10—7 against Rs. 4,937—7—8 in 1888.

16. *Her Highness the Maharani's Female Hospital at Mysore.*—That the popularity of this institution is increasing year after year is shown by the steady increase observed in the number of patients treated, both in-door and out-door, during the past 5 years. The figures are compared below :—

	In-Patients No.	Out-Patients. No.	Total No.
1885	77	6,013	6,090
1886	102	6,062	6,164
1887	151	6,141	6,292
1888	192	11,314	11,506
1889	239	15,105	15,344

17. Twenty obstetric operations were performed during the year, of which 19 resulted in the cure of the patients.

18. The expenditure of the year was Rs. 6,306—11—0 against Rs. 5,821-6-7 in 1888, the increase being due to the larger number of patients treated during the year under report.

19. Government notice with satisfaction the favorable remarks recorded of the work and growing popularity of Miss Govindarajulu.

4. The existing rules applicable to Government servants having any connection with the business of Joint Stock or other Companies are the following:—

Government of India (Home Department) Notification No. 3421, dated 28th August 1872.

Prohibiting Public Officers from engaging in speculation republished in Mysore Gazette of 14th September 1872.

Chief Commissioner's Notification No. 242, dated 16th January 1873.

1. That no servant of Government shall be connected with the management of any Bank or Company in Mysore.

2. That Government officers shall cease to hold such appointments as Agents, Secretaries, Managers, Managing Directors, and similar situations in any Banks or Companies, or resign Government service by 1st January 1874.

3. All Government officers otherwise connected with these institutions should break such connection as opportunities offered, and shall be all disconnected from them by 1st January 1876.

Chief Commissioner's Notification, No. 177, dated 21st September 1874.

That the prohibition (as per Rule 3 of preceding Notification) of the connection of Government servants with Joint Stock and other Companies does not extend to the holding of shares in such institutions, excepting as regards public officers who are employed in the District in which the operations of such Companies are carried on.

Chief Commissioner's Notification No. 188, dated 21st August 1876.

That the prohibition of public servants from maintaining their connection with Joint Stock or other Companies (as per Rule 3 of Notification of 16th January 1873, as relaxed by Notification of 21st September 1874) applies also to investments made in shares of Banks by Government employés who are employed in the District in which the operations of such Banks are carried on.

Dewan's Notification No. 31, dated 27th May 1887

That all public servants below the grade of Munsiffs and Deputy Amildars be exempted from the operation of the Rule in the Chief Commissioner's Notification of 21st September 1874, prohibiting public servants from holding shares in Joint Stock and other Companies whose operations may be carried on in the Districts in which such public servants may be employed.

5. It will thus be seen that the Rules prohibiting public servants from engaging in speculation or being connected with the management of any Bank, Joint Stock or other Company have been in full force since 1872—73, that they have not been in any way relaxed by the subsequent orders of Government, that clause (*a*) para 1 of Section 30 of the Land Revenue Code applicable to Revenue Officers did not, so far as it went, introduce a new Rule, and that in passing the orders of 11th August 1890, the Government did not seek to give retrospective effect to the above quoted Rule of the Land Revenue Code, but only directed the enforcement of the standing Rules of the public service which were well known as having been in force since 1872—73.

6. That part of the Notification of 16th January 1873 which prohibited Government officers from being *otherwise* connected with such institutions was declared.

(*a*) By Notification dated 21st September 1874 *not* to extend to holding shares in them, when their operations were *not* in the District in which the officer concerned was employed, and

(*b*) By Notification dated 21st August 1876 to extend to investments in shares of Banks whose operations were in the District in which the officer concerned was employed.

7. By Notification, dated 27th May 1887, Government servants below the grade of Munsiffs and Deputy Amildars (ministerial servants) were exempted from the prohibition contained in Notification, dated 21st September 1874. By reason of this exemption, Public servants below the grade of Munsiffs and Deputy Amildars can now hold shares even in such Joint Stock and other Companies as may carry on their operations in the Districts in which they are employed, but there is not the shadow of a foundation for the Deputy Commissioner's opinion, that a Government servant can now (under the above Notification) be connected with the management of a factory like the one in question. Holding shares in a *bonâ-fide* business Company is a thing totally different from financing and managing the business of a private factory like the Tumkur Oil and Rice Manufactory.

8. The Secretary of State's Despatch, dated 19th July 1883, published with Notification of 27th May 1887, relaxed for British India the prohibition of Government servants from being connected with the management of Companies, only in the case of Associations which were "*bonâ-fide* for the purpose of mutual supply and not of trade and trade profit." Even if the Darbar had adopted the above Despatch in its entirety, (which they did not) the case of Naranachar's Factory which is *essentially* a business for purposes of "trade and trade profit" cannot be protected by it. But as a matter of fact, the Darbar by the Notification of 27th May 1887, merely exempted ***ministerial servants*** from the prohibition of Public servants holding shares in Joint Stock and other Companies ***whose operations might be carried on in the Districts in which such Public servants might be employed.***

12. Under the circumstances brought to notice by this correspondence, the Government deem it desirable to issue at an early date a revised Notification embodying all rules on the subject of Public servants being connected with Joint Stock or other Companies or with trade and speculation.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

MAY 1891.

Serial No.	Proceedings. No.	Proceedings. Date.	Proceedings. To whom sent.	Subject and Order.
1	1503--P. 27.	3rd	The Deputy Commissioner of the Mysore District.	Appeal No. 205 of 1890—91. *Appellant* .. C. Guru Rao, Pleader, Nanjangud. Petitioner complains against the order of the Deputy Commissioner directing the removal of a verandah in front of his house. 2. The records received from the Deputy Commissioner show that on a complaint that the verandah was erected on Government land encroached upon by Petitioner, an enquiry was held in which Petitioner, who first claimed the land to be his own, subsequently withdrew his claim to it, and simply requested that he might be allowed to retain it till the month of *Magha* 1888, when a marriage was to be celebrated. The concession asked for was granted, but the Petitioner not having removed the building as promised, it was removed by the Amildar. Petitioner now asserts that the land on which the verandah *stood* is his own, and that it should not have been removed. The Government are unable to accept this plea at present. The Petition is dismissed.
2	1502--P. 26.	4th	The Deputy Commissioner of the Mysore District.	Appeal No. 1984 of 1890—91. *Appellant* .. Subbadikshita of Mysore. Petitioner's uncle Vaidyanathadikshita had a Pujari right in the temple of Prasanna Nanjundeswaraswami, the muzarayi allowance for the same being Rs. 3—13—0 per mensem. He died in August 1873, and the right was registered in the name of his widow, Subbamma, who performed the duties through her son-in-law. She died in 1889. Petitioner claimed the office as the son of the undivided brother of the late husband of Subbamma, but the Deputy Commissioner ordered the registry to be made in the name of Subbamma's daughter Gauramma. The appeal is against this order.

Serial No.	Proceedings. No.	Date.	To whom sent.	Subject and Order.
				2. The records show that Petitioner once withdrew his claim to the office stating that as Subbamma obtained her right to the office from her father's side, her daughter Gauramma alone had the right to succeed. But he now asserts that he withdrew his claim because Gauramma's husband promised him some money, which promise he did not fulfil, and that Gauramma has no right to the office, as the right was ancestral and he (Petitioner) an undivided member of the family. *Decision.*—Government do not consider it necessary to go into the origin of the right or into the question whether the family was divided or undivided. Gauramma is the immediate heir of the last holder and the Petitioner himself once admitted her right. The decision of the Deputy Commissioner was therefore confirmed, leaving the Petitioner to establish his right, if any, by a regular suit in a Court of competent jurisdiction.
3	1504—P. 4.	4th	The Deputy Commissioner of the Tumkur District.	Appeal No. 978 of 1890. *Appellant.* *Vs.* *Respondents.* Malayappagauda of Chikkohalli, Tumkur Taluk. — 1. Sangegauda. 2. Badregauda. 3. Balabasavegauda. One Basappa *bin* Bhadregauda applied for a piece of land within the village site on 9th December 1887. 2. The villagers deposed on 16th August 1888 that the land belonged to Government and might be sold. 3. The land was accordingly sold in public auction in September 1888, when the Darkhastdar Basappa purchased it for Rs. 25. The Shekdar who conducted the sale, however, reported that the auction was not well attended and that the land might be resold in auction. On this the Amildar, observing that the land was situated near the Pagoda, enquired whether there was any one who was willing to convert it into a flower garden for Pagoda and for charitable purposes. The Shekdar reported that the Darkhastdar Basappa and Patel Sangegauda were each willing to convert it into a flower garden. While the matter stood thus, one Balegauda claimed the land as belonging to the Pagoda. The Amildar

				reported the matter to the Deputy Commissioner who referred the report to the Assistant Commissioner in charge of the Treasury. The latter officer inspected the locality and reported after enquiry that the land belonged to nobody, but as it was situated in the vicinity of the Pagoda a portion of it might be excluded for the use of the Pagoda and the rest given to the Darkhastdar Basappa. On this, the Deputy Commissioner enquired whether the whole land cannot be given to the Patel after taking from him the price of the land. The Assistant Commissioner said that it might be done. Order was issued accordingly. The Darkhastdar complained again. The Deputy Commissioner finally issued an order on 18th July 1889 to resell the land by public auction and give it to the highest bidder. The land was accordingly put in auction on 10th August 1889 in which Petitioner Malayappagauda purchased it for Rs. 41. Sangegauda, T. Balabasavegauda, and B. Balabasavegauda again claimed the land on the ground that the land belonged to their Pagoda and the Deputy Commissioner issued an order on 12th April 1890 that the land might be given to them on payment of Rs. 41. Petitioner Malayappagauda appeals against this order. *Decision.*—The Government consider that the Petitioner is entitled to have the land, as he purchased it in an auction held after the fact that the land did not belong to the Pagoda was clearly established. At the hearing no arguments have been adduced to show that the land was the property of the Pagoda. The Deputy Commissioner's order, dated 12th April 1890, is therefore cancelled and the purchase of the land by Petitioner confirmed.

				bhog jointly with the 2nd Defendant, the present Barawardar, or allowed to do duties by rotation. The Assistant Commissioner who heard the case dismissed it on the ground that it was barred by the Law of Limitation and this decision was confirmed by the Deputy Commissioner. The appeal is against this decision. 2. It is distinctly proved, and the Assistant Commissioner who heard the case admits, that Plaintiff's father's brother Ramaiya did duties along with the 1st Defendant—the father of the 2nd Defendant—till 1885, when he (1st Defendant) was dismissed, but the Assistant Commissioner observes that since the joint performance of the duties of the office by Ramaiya had not the permission or recognition of Government and as Plaintiff appears to have divided with Ramaiya so far back as 1881, his (Ramaiya's) performance of the duties cannot save the Plaintiff. The Government do not agree in this view. So long as Ramaiya, a member of the Plaintiff's branch of the family, did the duties of the office, whether with or without recognition of Government, Plaintiff had no cause of action against the Defendant. It is possible that Ramaiya paid Plaintiff his share of the emoluments, and if he did not, it was a matter of dispute between him and Plaintiff and not between Plaintiff and Defendant. The case cannot therefore be said to be barred by Law of Limitation. The present suit however must be dismissed, as the relief sought cannot be granted under the existing rules. Neither a joint Shanbhog can be appointed, nor the office allowed to be held by rotation. The suit will accordingly be dismissed without prejudice to the right of Plaintiff to claim the office when a vacancy occurs.
5	1810--P. 45.	12th	The Deputy Commissioner of the Kolar District.	The Deputy Commissioner of Kolar District reported in his letter No. 3599—838, dated 23rd March 1891, that he had, subject to the approval of Government, held in abeyance under the following circumstances an order passed by Mr. Abdul Rahman, his predecessor in office, on 11th July 1890, No. 18, appointing one Srinivasa Rao as Shanbhog of Chikkatammanahalli and 2 other villages in the Gudibanda Sub-Taluk, and had directed that the present Shanbhog Sinappa appointed in the year 1882, should continue as long as he is capable of serving in the office. 2. The circumstances of the case were that in the year 1879 Narasimmaiya, the Registered

				Shanbhog of the above villages having absented himself without leave, he was suspended and a stranger named Venkatanarnappa was appointed to act for him by order of the then Deputy Commissioner No. 393, dated 24th November 1879; in 1880 the registered holder having pleaded his inability to discharge the duties of the office by relinquishing his claim to it except to the Inam land, the acting incumbent was directed to continue in office on probation; but at the request of the latter, his brother Sinappa was appointed in his place on probation by order of the Deputy Commissioner No. 253, dated the 20th July 1882, and he has been ever since discharging the duties satisfactorily. 3. In 1883 the Registered holder Narasimmaiya was allowed one month's time (upon the agitation made on his behalf by his brother-in-law) to join his office or nominate a competent Gumasta for him, but he not availing himself of that opportunity, slept over his rights and addressed a petition in 1890 requesting that his sister's son Srinivasa Rao may be appointed in his stead as Shanbhog as he himself was employed in the Police force, concealing the previous history of the case. This request was granted by the Deputy Commissioner by his order No. 18, dated 11th July 1890 above quoted evidently without any reference to previous correspondence on the subject. *Order thereon.*—The Government approve of the action of the Deputy Commissioner subject to further consideration and orders of Government, if there be any appeal in the matter.

Narasimmaiya Naidu and Chandrasekharappa Naidu of Anekaldurgam, Chintamani Taluk, Kolar District. Petitioners requested that a certain Jahgir formerly enjoyed by their ancestors and improperly resumed by Government, be restored to them. 2. The report received from the Deputy Commissioner showed that the Jahgir was resumed more than 200 years ago.

7	1958--P. 49.	15th	The Deputy Commissioner of the Kolar District.	Appeal No. 1819 of 14th November 1890. *Appellant* .. Subbaraya, Shanbhog of Tippenahalli, Sidlaghatta Taluk, Kolar District. Petitioner was dismissed by the Deputy Commissioner in January 1890 on the ground that he knowingly concealed the name of a revenue defaulter. The facts are briefly these:— 2. In 1882 one named Hanumanta Rao fell into arrear of Government revenue amounting to Rs. 53. The whereabouts of the defaulter not being known, the land on which the arrear was due was resumed by Government in that year. In 1888 Petitioner was asked to say who the defaulter Hanumanta Rao was and he stated that he did not know who he was, and that the land was being cultivated by a tenant who has since died. From other enquiries however it was found that the defaulter Hanumanta Rao was a Clerk in the Bagepalli Taluk. This Hanumanta Rao denied that he was defaulter, but subsequently admitted his liability and paid up the arrears. He was suspended for a time and afterwards restored to office. 3. The Deputy Commissioner dismissed Petitioner as he believed that he (Petitioner) knew the real defaulter but dishonestly concealed the truth. He had been previous to dismissal suspended for having connected himself with a local Bank. *Decision.*—It is possible that Petitioner who has been in service from 1875—76 knew who Hanumanta Rao was, but there is nothing on record to show that he knew him. Moreover this is a very old matter in which the land on which the arrear was due had been resumed and the Petitioner's suspension from office since January 1890 is a sufficient punishment for the fault, if any, committed by Petitioner. The Government therefore direct that Petitioner be restored to office from the date of the receipt of this order with a warning.

8	1959--P. 50.	15th	The Deputy Commissioner of the Kolar District.	Appeal No. 514 of 16th June 1890. Read the following correspondence:— Government Order No. 8067—316, dated 30th September 1890. Letter from the Deputy Commissioner of Kolar, No. 3645—853, dated 31st March 1890. *Appellant* .. Shamanna of Gondlahalli, Kolar. Petitioner appeals against the order of the Deputy Commissioner, dated 7th June 1890, suspending him (Petitioner) from his office of Shanbhog for a period of one year for having failed to give the previous history of a certain darkhast case The records showed that Petitioner did omit to give the history of the case, but as the omission did not end in any miscarriage of justice to any body, the Government are pleased to order his restoration to the office from 1st June 1891, as also the Patel's restoration to his office from the same date. 2. The sale of the land referred to in the Proceedings is confirmed.
9	1960- P. 51.	Do	The Deputy Commissioner of the Kolar District.	Appeal No. 355 of 31st May 1890. *Appellant* .. Haidar Sab of Srinivaspur, Kolar District. Petitioner applied in 1889 for certain land assessed at Rs. 1—8—0, which had been previously disposed of. His complaint was that it had been improperly given away to the Patel instead of being sold and given to the highest bidder. The records showed that the case was properly disposed of by the Deputy Commissioner after due enquiry. 2. The Petitioner was therefore informed by an endorsement that the Government declined to interfere in the matter.

In 1884 Petitioner purchased a piece of building site in the village of Tubinkere in a public auction, and converted it into a backyard and planted trees in it. He requested that the land might be entered in the "Khaneshumari" accounts. The Deputy Commissioner informed Petitioner that it is only buildings that are entered in the "Khaneshumari" account and not vacant grounds. Petitioner not being satisfied with this information requested Government to issue orders for the land being entered in the accounts. He was informed by an endorsement that Government accounts do not contain entries of vacant grounds within the village site, that his request to have his vacant ground entered in the accounts could not therefore be complied with, and that the want of such entries would not affect his title to the land.

Petitioner and some others had certain lands which in the Survey were clubbed into one number. The Phut Pahani however determined the area of each individual to be as shown below :—

				2. Petitioner who had been paying his assessment with reference to the incorrect area of the Phut Pahani, claimed a refund of the excess paid by him, and the Deputy Commissioner ordered the excess to be collected from the other sharers and paid over to Petitioner; but the other sharers having refused to pay the excess due by them, the Amildar gave an endorsement to Petitioner under the orders of the Deputy Commissioner that nothing could be done in the matter. Petitioner appealed against this order. *Decision.*—The Government considered that the consent of the other sharers was not at all necessary to entitle the Petitioner to a refund of the excess sum paid by him. In case of the Deputy Commissioner being satisfied as to the correctness of the present measurements, he was permitted to refund to Petitioner the excess sum collected from him during the past years and recover the excess due from others as arrears of revenue. Petitioner should not be allowed to suffer for the mistakes of Government Officers in making Phut Pahani.
12	1965—P. 7.	15th	The Deputy Commissioner of the Tumkur District.	Appeal No. 1117 of 13th August 1890. *Appellant* .. Krishnappa, Shanbhog of Doddagoreghatta, Gubbi Taluk, Tumkur District. This is an appeal against the order of the Deputy Commissioner, dated 30th April 1890, suspending the Petitioner for one year. The chief ground of suspension is that Petitioner stated that field No. 54 for which a darkhast had been received, contained only 12 trees, whereas in fact it contained many more trees. Petitioner states that he was unable to state the correct number, because the boundaries of the field were not well defined. 2. Held that the explanation was altogether unsatisfactory. Appeal dismissed.

				for the conversion of their dry land into wet, and the Jamabandi Officer ordered the excavation; but the Respondents having objected to allow the channel through their lands, the then Sub-Division Officer cancelled the previous order. The question was again agitated in 1889, and the Sub-Division Officer decided that if the land was required, it should be acquired under the Land Acquisition Act. In March 1890, however, Mr. Madaiya, Sub-Division Officer, ordered the excavation of the channel and had the work carried out in his presence without acquiring the land under the Land Acquisition Act; but in September 1890, Mr. Meiklejohn cancelled Mr. Madaiya's order and ordered the channel to be closed and directed that the land required should be acquired under the Land Acquisition Act, if necessary. The present appeal is against this last order. *Decision.*—Held that Mr. Meiklejohn's order was perfectly correct and it could not be cancelled. The present Deputy Commissioner was however requested to report why the land should not be acquired under the Land Acquisition Act, and in case of there being no objection to send the necessary Notification for publication.
14	1967-P. 38.	15th	The Deputy Commissioner of the Mysore District.	Appeal No. 1002 of 5th September 1890. *Appellant* .. Ramanna of Nagamangala, Mysore District. Petitioner's brother Tippaiya who was Shanbhog of Konnanur, &c. Firkas was convicted of breach of trust and dismissed from office in November 1889. Petitioner who is an undivided brother of the dismissed claimed the office, but the Deputy Commissioner rejected his claim. Petitioner appealed and stated that his brother was dismissed for having been said to have embezzled a trifling sum of Rs. 3 and that having been away from the family for a long time, he had nothing to do with the alleged embezzlement. 2. He was informed by an endorsement that the Government declined to interfere in his favor.

15	2141--P. 20.	15th	The Deputy Commissioner of the Kadur District.	Appeal No. 2213 of 13th January 1890. *Appellant.* *Vs.* *Respondent.* Adeppa of Tarikere represented by Mr. Advocate Srinivasaiengar. Sannappa, Shanbhog, Harikatur. Respondent who is the Shanbhog of the village fell into arrear on account of his kandayam lands to the amount of Rs. 32—2—9. His land No. 51 was attached and sold on 24th March 1887 when Appellant purchased it for Rs. 50. 2. Respondent complained against the sale, but the Deputy Commissioner rejected his Petition and confirmed the sale on 9th May 1887. Respondent then appealed to Government who issued an order on 17th October 1889 cancelling the sale on the grounds (1) that Respondent requested his Potigi allowance (Rs. 29) to be credited to his assessment which was not done, and (2) that the Appellant paid the purchase money on the 11th April 1887, while it was due on the 7th idem. 3. Petitioner stated that the above order was issued without any notice to him and requested that it might be cancelled and the sale confirmed, as he had spent much capital and improved the land since the purchase. He said that he had dug two wells, and newly planted about 500 cocoanut trees on the land. 4. Respondent who was present at the hearing denied the improvements said to have been made by the Appellant. 5. The Government order dated 17th October 1889 having been inadvertantly issued without notice to the Appellant was cancelled * and the Deputy Commissioner was requested to report whether Appellant had improved the land subsequent to the purchase and if so, to what extent. It was added that the only ground upon which the sale could be quashed was that Appellant did not pay the purchase money within the prescribed date, but the Deputy Commissioner having condoned the delay and confirmed the sale, the Government were not disposed to cancel the sale on that ground, especially if the Appellant had improved the land after the purchase. It was further * Order No. 10254—287, dated 11th December 1890.
